Sided with embedded handle

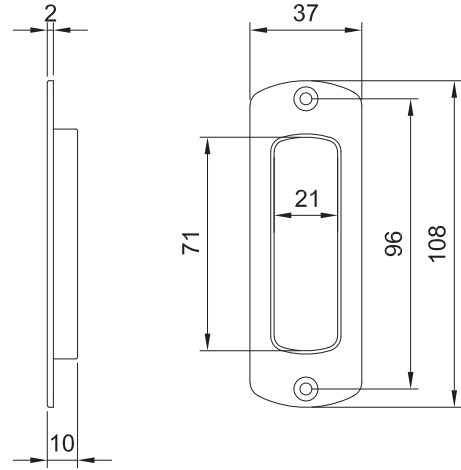

Technical drawing of a handle assembly. The drawing includes a side view, a top view, and a detail view of the handle. The side view shows a handle with a total length of 212 and a mounting plate with a width of 47. The mounting plate has a central hole with a diameter of 43 and a distance of 16 from the edge. The distance from the handle to the center of the hole is 200. The top view shows a rectangular handle with a width of 37 and a height of 71. The handle has a central slot with a width of 21. The distance from the edge of the handle to the center of the slot is 10. The detail view shows a handle with a length of 70 and a diameter of 10. The handle is shown in two positions: one with a cross-section symbol (a circle with a cross) and one without.
